CLUB NOTES

PERSISTENT INJURY HOODOO

Regrettably, North End's defeat at Leyton last Saturday was the fifth suffered in succession away from home, one short of that depressing and ominous run in September and October when the team returned pointless from Bolton, Southampton, Newcastle, Norwich, Derby and Portsmouth, with 21 goals conceded.

Then, as now, we were in the throes of struggling against a seemingly never-ending sequence of injuries—a tale of trouble and travail unprecedented as far as North End are concerned. On and off we have been dogged all the season by this disastrous hoodoo, which struck again with cruel severity at Leyton.

Howard Kendall, not long back in the side, took another knock and finished a semi-passenger, and worse was the double trouble of which luckless goalkeeper Alan Kelly was a victim. First he had a thigh muscle painfully wrenched. Then, 20 minutes from time, he was again in the wars and broke a collar bone.

His third serious injury of the season it is likely to keep him out of action throughout the short remaining period. This means that his League and Cup appearances will be restricted to 19 out of a maximum 44, a big disappointment for a courageous player who had missed only eight games in the past three seasons.

The experience of Alec Ashworth has been even more depressing. The long lay-off following the third game of the season at Ipswich culminated on his return in a serious injury which has been responsible for his still longer absence. His knee cartilage operation was not the kind from which players quickly recover.

CLUB NOTES – continued

It was the difficult sort, needing a lengthy period in the specialist's considered view before even light training could be safely indulged in, much less rigorous training or match play. Alec is keen enough to get going again, but it looks as if he is out for the rest of this season.

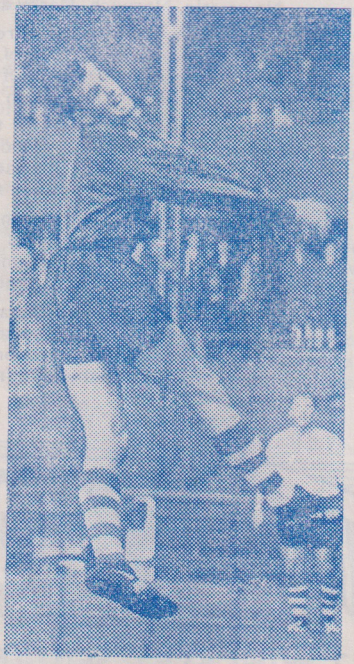
It was ironic that in spite of those mishaps at Leyton we could have won if our best scoring chances had been taken and if there had not again been a fairly general tendency to relax when apparently well on top and leading. We were ahead early through Brian Godfrey signalising his return with a goal.

If we had then pushed hard for more instead of allowing Leyton to take the initiative a good away victory could have been achieved. The Orient, with the incentive of fighting against relegation danger, transformed the game helped by an equaliser scored when we were trying to set an offside trap.

Protests were futile on the grounds that it was not the man out of line who scored but a player who was not in an offside position at the time, which once more emphasised the importance of playing to the whistle. The decider, frankly, was a fluke, as everyone realised, but these things happen!

BACK TO FORM—AND OUT OF LUCK

DAVE WILSON



ALAN KELLY

Contrasting experiences have been the recent lot of these North Enders. Whereas Dave Wilson celebrated his marriage by playing his best football for some time, luckless goalkeeper Alan Kelly had a collar bone broken at Leyton.

POLICE NOTICE TO CAR PARKERS

The co-operation is sought of all motorists who attend Football Matches at Preston North End. It is particularly requested that full use should be made of the car parks which are provided.

Indiscriminate parking of motor vehicles in side streets and upon grass verges causes serious obstruction, annoyance to residents and pedestrians, and damage to grass verges. Where side streets are used for parking, this must be on one side only so as to facilitate the free flow of traffic. Cars must not be left in dangerous positions, obstructing road junctions or across garage entrances.

The Police hope that all motorists will comply with this notice. By so doing they will avoid being prosecuted for inconsiderate use of the highway.

Spectators, particularly our Juvenile Supporters are requested to keep off the playing area. The practice of encroaching on the pitch can lead to incidents, which could result in the closing of the ground by the Football Association.

PLEASE SEE THAT THE PLAYING AREA IS KEPT CLEAR OF SPECTATORS AT ALL TIMES.

OUR VISITORS—*Bury*

Bury, a great little Lancashire club, have been welcome visitors at Deepdale for many years, and we are glad to see them here again assured of their place in the Second Division. Their story goes back to 1885, since when they have produced practically all their many fine players without payment of transfer fees.

Aptly indeed are Bury known as "The Shakers." The nickname is derived from the record score they put up in the Cup Final of 1903 by defeating Derby County 6-0 at the Crystal Palace, after winning the Cup three years earlier by 4-0 against Southampton. In the 1903 series Bury scored 12 without reply.

Many of the younger generation are unaware that Bury were a First Division club from 1895 to 1912 and from 1924 to 1929, their highest position being fourth in 1926, and fifth in 1901, 1925 and 1928. Sad to relate Bury slumped the following season and were relegated to Division II in company with Cardiff City.

Former Newcastle star Bob Stokoe very nearly guided the club back to the First Division two seasons ago in his role as player manager. Bury's fortunes again quickly changed. They fell away surprisingly after a bright start and missed relegation only through a determined effort in the final phase.

Those familiar words in the well-known Harry Lauder song—"Though the road be long, let our hearts be strong"—typify the dauntless spirit long evident at Gigg Lane. Despite all difficulties Bury get by through sheer efficiency and an eternal ambitious optimism which was ever the admiration of their many friends.

Manager Bob Stokoe believes Bury have the basis of a first-class combination possessing the fundamental quality of an unshakeable team spirit. The perfect pitch at Gigg Lane is the envy of many clubs and Bury last season had an average "gate" of 10,000 out of a local population of only 60,000. Remarkable.

BURY PLAYERS

Dave Knowles (*goalkeeper*). Fine understudy for Chris Harker after 90 Third Division games with Halifax. Often compared with former Bury keeper R. McClaren.

Brian Gallagher (*right back*). Signed when 18 from Lancashire Combination club Ashton United. Strong and stylish defender approaching his prime. Born Oldham.

Brian Eastham (*left back*). Regular for three seasons. Cool, positions well and good at heading. Recruited seven years ago from local works team. Born Bolton.

Brian Turner (*right half*). Another Lancastrian, born Manchester. Successfully converted from an inside forward to a tough, relentless wing half, whose determination has made him an ideal captain. Noted for consistency.

Harry Bunner (*centre half*). Also hails from Manchester. Fought hard for his place and has proved he means to hold it. Firm favourite as Stokoe's successor.

Vincent Leech (*left half*). Strong, keen and busy tackler who has been a useful acquisition from Blackburn Rovers. Lancashire-born, lives at Bacup.

Tom Claxton (*outside right*). Not yet 20 but making the grade as a worthy follower of tricky, stylish Eddy Kilshaw. Rated a good prospect at Bury.

Colin Bell (*inside right*). At least he has a famous name! A young Tynesider of great promise as a ball player and natural link between defence and attack. Bury beat several clubs in signing this capable successor of George Jones.

Alex Alston (*centre forward*). Needs no introduction at Deepdale. Born Preston and has justified Bury's substantial outlay on him. Flits from centre to either wing with much success and has made a habit of scoring against P.N.E.

Tony Moran (*inside left*). A likely youngster, not yet 19 who turned pro last October. Yet another Lancashire lad, born Eccles.

Bill Griffin (*outside left*). Among the few who have cost Bury any money. Thoughtful raider signed from Sheffield Wednesday for £9,000. Valuable acquisition.

TWO BURY STALWARTS

Billy Griffin
Inside forward formerly with Sheffield Wednesday.

Alec Alston

LANCASHIRE LEAGUE—DIVISION I

Blackburn Rovers 'A' 3 v. North End 'A' 2

Wood opened the scoring for North End after three minutes with a well headed goal but Rovers hit back immediately with Anderson giving Stewart no chance. Wood for North End was a constant menace to the Blackburn defence and gave his side the lead with another well taken goal, just on half-time. In the second half Blackburn came more into the game and scored twice in what was a hard tackling and robust half.

Blackburn Rovers 'B' 2 v. North End 'B' 1

Playing up the slope and into the wind North End played some very attractive on-the-carpet football, Blackburn only being dangerous with isolated breakaways. Mullen and Preston combined well in creating an opening for Bond to give North End an interval lead. North End failed to take advantage of the wind in the second half and Blackburn came more into the game and managed to score twice. This spurred North End into a late rally but they were unable to penetrate a well organised Rovers defence.

LANCASHIRE LEAGUE—DIVISION I

North End 'A' 1 v. Liverpool 'A' 1

Liverpool started strongly and fought hard to get an early lead, North End managed to fight back and took the lead just on half-time with a goal from centre forward Wood, from a good centre from Lea. Liverpool came more into the game in this half and equalized with ten minutes to go. With minutes to go Stewart in the home goal was again beaten but an upright saved the day for North End.

North End 'B' 2 v. Liverpool 'B' 3

On a perfect pitch at Willow Farm Liverpool took the lead within minutes through Graham. Mullen equalized almost immediately for North End who were by this time settling down. A defensive misunderstanding just on half-time allowed Liverpool to regain the lead. On the resumption North End were handicapped with the loss of Sheridan who left the field but managed to again equalize with a well taken goal from Bond. Liverpool scored again and by this time were well on top against a tired North End side.
